

ALI HUSSEIN ALI

COMPUTER TEACHER

SUMMARY

In 2006, I received my B.Sc. in Computer Sciences from the college of sciences at the University of Al-Qadisiyah in Diwaniya, Iraq. In 2014, I received my M.Sc. (master's) in computer sciences from the college of computer sciences at Babylon University Iraq. I've worked as a lecturer at the Al-Qadisiyah Education Directorate, Ministry of Education, and the University of Al-Qadisiyah in the fields of Artificial Intelligence and Data Mining. Other areas of research that I am interested in are machine learning, smart optimization techniques, and Big Data optimization. I have several publications in the fields of metaheuristic optimization and data mining.
